31 CARDS FOR ABUNDANCE
& INNER POWER

for each day.

How to use your deck

Draw one card, read its invitation, and try its daily action.

Or follow cards 1-31 as a month of practical reflection.

These are prompts for reflection, rather than predictions or guarantees.

Print your cards

Card size: 2.5 x 3.75 inches. Artwork is a printable gold color, not foil.

Pages 2-63: individual fronts and their matching message backs.

Print only your paper-size range at Actual size / 100%, duplex long edge.

Each front sheet is followed by its horizontally mirrored back sheet.
